

Texas Fire Chiefs Association  
**DOCUMENT SUBMISSION FORM**

Candidate Department: Coppel Fire Department

Best Practice Standard: 9.13  
(insert the Best Practice Standard you are working on - example "1.01")

**Proofs of Compliance Submitted:**

We are currently working on a combined dispatch with Addison, Carrollton, Coppel and Farmers Branch. This has been ongoing for 2 years and we have not budgeted money for a Emergency Medical Dispatch Program due to the fact that it is covered in the combined dispatch proposal. At this time it is estimated that we are within 9 months to a year from being operational on our combined dispatch. At that time Coppel would have EMD.
